

Campus Instructor-led Training

<https://campus.barracuda.com/doc/99124790/>

Barracuda Networks offers Instructor-Led Training courses to keep our customers and partners up to date on all the latest features included in our products. Instructor-Led Training is available for Email Protection, CloudGen Firewall, and WAF/WAF-as-a-Service .

The courses provide the knowledge you need to run your Barracuda Networks solutions with optimal efficiency. Training is offered as either an Open Enrollment course (1-3 persons) or as [Customized Agenda Courses](#) (up to 10 people). All Instructor-Led Training courses contain extensive hands-on lab exercises. Classes are available in-person and remote.

Please click the courses below to get a detailed overview of the classes and schedules.
