Personal Information Consent

Click the Consent confirmation **Accepted** option to enable or disable collecting of your name and email address for the purpose of providing product support and communicating product news and announcements. For more information, see [Barracuda Trust Center](#).

Personal Information Consent

Consent confirmation

☒ Accepted

Barracuda Data Inspector can collect your name and email address for the purpose of providing product support and communicating product news and announcements. Please see our [Trust Center](#) for information on how we keep your data secure.

Data Storage Region

The region where your account and organization's data is stored is displayed. Barracuda Data Inspector stores this information in compliance with the rules that govern the region.

Click **Edit** to change the region for regulatory or other reasons. Select a new region from the dropdown list that appears:

- United States (Virginia)
- Canada (Toronto)
- European Union (Netherlands)
- United Kingdom
- Australia (New South Wales)
- Japan (Tokyo)

Data Storage Region

Data is stored in United States

Edit

Data Inspector stores your organization's and account information according to your region, ensuring compliance with storage-related regulatory policies.

Saved Data

Clicking the **Delete** button will remove the entire tenant (customer) and all data.

Saved Data

Offboard inspector data

Delete

Offboarding will delete inspector meta-data, redactions and authorization keys to your source data. Upon deletion, you will be logged out and have a 24 hour grace period to log back in and stop the deletion process.

Deleting inspector data will have no impact on the original source data.

Cookie Options

Click **Open Settings** to modify your cookie settings and update your cookies preferences.
