NEW YEAR, NEW CONTENT!

We know you have ambitious goals for 2018 and to help you achieve them, we've developed a host of new templates, landing pages and more for you to utilize.

What you see here is just a sample of what's waiting for you in the Content Center Marketplace™, your one-stop location for all your campaign-

creating tools. If you need help finding content or setting up your campaign, please don't hesitate to contact your consultant for expert guidance.

Watch your email on Fridays for updates on the latest templates, landing pages and more!

2018 SNEAK PEEK

If you're looking for training modules on today's hottest information security topics, you've come to the right place.

We have an ambitious monthly schedule that includes Personally Identifiable Information (PII), Business Email Compromise and Travel/Out of Office—and that's just the first quarter! For details, talk to your consultant.

Each training module comes with or without a quiz and can be run on your own LMS or on PhishLine's.

All are created in an upbeat, easy-to-follow animated format that makes training fun and interesting.

With nearly 20 modules to choose from and more on the way, you can customize a curriculum that meets your specific training needs.

not a fan...

Translations

We strive to create content in the languages you need in your markets. With this in mind, we've developed an extensive catalog of training modules in a variety of languages, including Spanish, Chinese, Malaysian and more. For a comprehensive list, ask your consultant.
