

EACH PIECE OF PERSONALLY IDENTIFIABLE INFORMATION (PII) PAINTS A CLEARER PICTURE OF AN INDIVIDUAL

- **PERSONALLY IDENTIFIABLE INFORMATION (PII):** information that can be used to directly identify someone ([click for more examples](#))
- **NOT PERSONALLY IDENTIFIABLE INFORMATION—UNLESS COMBINED WITH PII:** information that can't directly identify someone—such as name and birthdate—because many people may have it in common; when combined with other information—like a personal address—it can become PII
- **PROTECT YOUR OWN PII AND THAT OF OTHERS:** adhere to company guidelines for protecting PII; ask your manager if you're not sure
