The screenshot displays the Barracuda Campus user interface. On the left is a sidebar with a user profile for 'Campus Tester' and a list of navigation items: Dashboard, My Registrations, My Promotions (highlighted), My Certificates, My Exams, Trainers, and Big Huge Enterprises - Ca... The main content area is titled 'My Promotions' and features a search bar and tabs for 'AVAILABLE PROMOTIONS (0)' and 'REDEEMED PROMOTIONS (5)'. The 'REDEEMED PROMOTIONS' tab is active, showing a list of four redeemed promotions, each for a 'Vx Appliance Promotion Program' with specific redemption dates and product codes (BBSV90a, BNGVF50a, BMAV650a, BSFV600a). On the right, there is an 'About My Promotions' section explaining the eligibility for free licenses based on certifications and a 'More' section with a 'Print' link. The top navigation bar includes the 'BarracudaCampus' logo, a search bar, and links for 'Products' and 'Portals'.

About 'My Promotions'

With an NGF01, WAF01, BU01, or BT300 certificate you are eligible to receive a free Barracuda Vx appliance license. The license is redeemable while your certification is valid. The duration of the license will correspond to the validity of your certificate. The use of the Vx licenses are limited for testing and training purpose only. Production use is not allowed. Vx Appliances provided in the context of the promotion are not eligible for support. The base licenses provided are not authorized for extensions (e.g. Web Security) nor renewals.
