Scrubit

Scrubit?
Real-time reputation management for today's employee workforce.

Hello {email:firstName}:
[Is this you?](#)

Scrubit? recently found some detrimental information on one of the following platforms that could damage your professional prospects:

If you confirm this information is about you or was posted by you, we can help you mitigate the damage and possibly make it disappear. Or, as we like to say, **we'll help you scrub it.**

Scrubit? uses powerful search bots to monitor and connect professionals with data that could impede job searches, professional advancement and career growth.

To see how we do it, check out our short video enclosed.

©2023 Scrubit? is pleased to partner with LinkedIn, Facebook, Instagram, Twitter and a growing number of social platforms to provide a clearer picture of today's employee workforce. For more information please see our mission statement and a complete list of our [affiliated partners](#).
