

CYBERSECURITY AWARENESS MONTH PREVIEW

NEW Click Thinking Interactive Training Spotlights AI

We're pleased to announce we've added a new Click Thinking Interactive Training module with an AI focus to our catalog. These enhanced super modules not only use videos and quizzes to further the user's knowledge, but also include games and interactive infographics to make learning fun! With Cybersecurity Awareness Month on the horizon it's the perfect training focal point for organizations that continue to rely on AI to meet business challenges.

More About Click Thinking Interactive Training

Click Thinking Interactive Training deploys a robust mix of videos, games, infographics and quizzes at the touch of a button! These comprehensive modules cover key information security concepts in a fun and engaging way. Choose from a wide variety of titles available now in the Content Center.

- CTI-1 Phishing Awareness
- CTI-2 Passwords and Multi-factor Authentication
- CTI-3 Personal Cybersecurity
- CTI-4 Professional Cybersecurity
- CTI-5 Basic Attack Techniques
- CTI-6 Advanced Attack Techniques
- CTI-7 Staying Safe Online
- CTI-8 Hybrid Work Security
- CTI-9 Advanced Personal Security
- CTI-10 Data Security Basics
- CTI-11 Advanced Data Security
- **CTI-12 AI and Business—NEW**

This October, we're partnering with **Columbia University** and the **University of Chicago** in an exciting quest for answers—and you're invited to participate in this innovative approach to our fall benchmarking effort.

All you need to do is provide a company address book and we do the rest, from campaign setup to expert analysis and follow up reporting.

Finish 2025 strong by taking part in this fascinating collaboration between Barracuda Security Awareness Training and the brightest minds in AI and Computer Science—download the Click Thinking bundle for details and sign up today!

Important Dates and More

Benchmarking will run **October 6 - 17** with results shared once the campaign is complete. Participation deadline is **October 2**. Upon completion all administrators will receive custom reports. Participants will use similar domains and campaign elements. Please contact Barracuda Support to sign up.
