ADP Payroll Direct Deposit Error

ADP Payroll Services
 Ref: DD-8421

Direct Deposit Error Detected
 Action required to prevent delays in your payroll deposit.

Hi (email.firstName),

We were unable to process your direct deposit for the pay period listed below. To ensure you receive your funds without further delay, please review the details and verify your banking information.

Error Code: DD-8421
 Status: **Action Required**

What you should do next

- Sign in to your payroll portal and review your direct deposit settings.
- Confirm that your routing and account numbers match your current bank statement.
- Save your changes and verify that your account is marked as primary for deposits.

Update Direct Deposit Info

SecureAccess VPN Session Expired

Session Expired

Your secure connection to the SecureAccess VPN / SSO Portal has ended due to inactivity or scheduled security timeout. A new authentication is required to continue.

Next steps:

- Click the button below to open the SecureAccess sign-in page.
- Authenticate with your company credentials and, if prompted, complete multi-factor verification.
- Reconnect to VPN or relaunch any internal applications that require SSO.

Reauthenticate & Reconnect

Slack Reset

Security Alert

Hi (email.firstName),

We've identified that your current Slack login credentials need to be updated for security purposes. To avoid any interruption in access, please take a moment to reset your password.

Copilot Violation Alert

Microsoft Copilot
 Compliance & Risk Monitoring System

COMPLIANCE REVIEW - ACTION REQUIRED

Mandatory Review of Microsoft Copilot Usage

Hi (email.firstName),

Your recent use of Microsoft Copilot has triggered a policy violation alert within your organization's compliance and risk monitoring system. One or more prompts submitted under your account appear to conflict with internal guidelines governing data handling, confidentiality, or acceptable use.

Review Type: Copilot Prompt Policy Violation
Status: Mandatory - Action Required
Potential Impact: Restricted Copilot and Microsoft 365 access if not addressed

Required next steps:

- Review the summary of flagged prompts and associated policy categories.
- Acknowledge your understanding of the organization's Copilot and data usage standards.
- If you disagree with this finding, submit an appeal with a short explanation.

Review Activity & Acknowledge Policy **Submit Appeal**
